1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am an impacted customer. I have lived in Tega Cay for 8 years and the amount we pay for water and sewage is excessive for the service we get.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

NO increase should be awarded TCWS. Two years ago, they were given an 18% increase for water service and are now seeking an additional increase. If the proposed amounts are allowed, Tega Cay residents would be paying 51% more for water and 67% more for sewer service in 24 months. I have not seen any improvements or changes to their infrastructure or the service they provide that would justify that amount of an increase.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony?  $^*$ 

No.
